

OPENING SALE OF GIRLS' COATS

Beginning Monday Morning.

On this day our doors swing open on what we are confident to claim is the greatest showing of Children's Coats ever presented to the mothers of Barre.

The styles will catch you first—each is a distinct type, a miniature of "Mama's" coat, as carefully designed as any of the women's garments we show.

But go deeper—note the materials, cloths that mean warmth and wear all winter long—just as shapely at the season's end as now.

And deeper still—look at the workmanship; the stitching everywhere, the linings and all.

The prettiest little bear cloth Coats for the little girl. The most stylish mixture Coats for the Miss.

Yes, we are proud of this line, and say it in full confidence that every mother will share our pride when she sees her daughter in one of these.

OPENING FALL SALE

AND

Exposition of the New Modes for the Season at Hand.

Saturday, October 6th, will mark the opening of Fall and Winter business. At this time our complete showing of Fall models will be on parade for inspection.

For those wanting the more exclusive fabrics it is advisable to make selections early in the season, and we invite the interest of those who desire the widest range of selection.

The prominent feature in Business Suits is the form fitting back with flared skirts. In some styles this is pronounced, and in others only moderately so.

The same style prevails in Overcoats. Business coats are moderately long. In Overcoats one may wear a style 45 or 50 inches long, or some length between the two, and any of them will be correct.

We have a very wide range of fabrics this season, as well as the correct new styles, and we may say that we have never shown an assortment more pleasing in every respect, than we now present for your consideration.

Sincerity Suits from	\$10.00 to \$22.00
Sincerity Overcoats from	10.00 to 22.00
Other Suits from	5.00 to 22.00
Other Overcoats from	5.00 to 25.00
